

IMPACT SUMMARY 2023

Thank you to Lyme advocates across the U.S. as we work together on our mission to grow federal funding for Lyme and tick-borne diseases and conditions.
Together you are making a difference!

\$178M

We nearly tripled annual federal funding for Lyme and tick-borne disease in 3 years.

Through community activism inspired by a professional lobbying effort, we grew federal funding for Lyme and tick-borne disease from \$59M in FY20 to \$178M in FY23.

\$282M

The total increase on federal funding since we started in 2019 is \$282M.

Through positive influence with Congress and the Executive Branch, NIH Lyme and tick-borne disease funding grew nearly 5X from \$40M spent in FY20 to \$119M appropriated in FY23.

300 In February 2023 more than 300 advocates held 244 meetings with members of Congress to advocate for more federal funding for Lyme.

VIRTUAL FLY-IN 2023

California Lyme advocates get ready for the meeting with their Senator.

2100 Thank you to the more than 2100 Lyme and tick-borne disease advocates across every U.S. state who work for a cure for Lyme.
